.....

RAPID STRIP 7000 is a full strength solvent cleaner/stripper specially designed for optimum effectiveness in immersion removing coatings and pigments as well as carbon, grease and oils from automotive, electronics and optics components.

Easy to use, RAPID STRIP 7000 is applied as received in a well-ventilated tank and allowed to soak as required to loosen or remove the coating/ soil. A thorough water rinse is required for total removal of all soils and cleaner residues.

RAPID STRIP 7000. Effective Full-Strength Maintenance Cleaner/Stripper

FEATURES & BENEFITS

- Organic Coatings
- Carbon
- Grease
- Oils
- Pigments
- Finger Prints
- Safe Alternative for Flammable & CFC cleaners
- Mild Odor
- Multi Metal Safe
- No CFC's
- Water rinsible
- Use in immersion

Effective Full-Strength Maintenance Cleaner/Stripper
Compatibility:

RAPID STRIP 7000 is multi-metal safe for use on yellow metals, aluminum, ferrous and composites in addition to most precious metals. It is safe to use with PVDF, Kalrez®, Teflon and ceramic elastomers and filters, while it is best used in polypropylene or stainless equipment.

H i n t s f o r S u c c e s s f u l U s e :

- Immersion
- For best results thoroughly rinse with water after the coating has been loosened or removed by the stripper.
- Dry parts with hot or circulating air.
- Concentration, temperature and time should be optimized for the parts and equipment involved.
- Some soils may require longer soak times for optimum effectiveness.

R i n s i n g a n d D r y i n g :

- Use deionized (DI) or reverse osmosis (RO) water to minimize dendritic growth
- Keep rinses fresh, monitoring by conductivity or resistivity. Recycle.
- Inspect equipment regularly. Repair and maintain as needed.

E n v i r o n m e n t a l , H e a l t h a n d S a f e t y :

RAPID STRIP 7000 is a water rinsable solvent solution with 701.7 g/L VOC at 100%. It contains no CFC's or HAP's; it is nonflammable and non-corrosive. Refer to the Material Safety Data Sheet for more information.

S t o r a g e a n d H a n d l i n g :

All ingredients in this product are TSCA listed. It is a non-flammable, non-corrosive liquid containing benzyl alcohol.
